

The Castor Vali Group is a UK and Africa based global security and risk management organisation specialising in providing Corporate Security and International Protective Services in emerging and high-risk markets. Our mission is:

“to provide intelligence-led, expeditionary security and risk management services, enabling our clients to maintain maximum operational effectiveness”

Castor Vali’s integrated management system provides the framework to ensure the delivery of management objectives and targets appropriate to the context of our operations and our strategic direction.

Top management is committed to ensuring the Quality Policy is communicated to all relevant employees and third parties and that these persons are made aware of their quality-related obligations.

Castor Vali is committed to:

- Compliance with applicable and relevant international and national law, regulatory requirements, international standards and industry guidelines;
- Setting and reviewing quality objectives and targets in accordance with relevant ISO Standards;
- Continual improvement of our management system and overall service delivery;
- Communicating our policy to all company personnel and interested parties and that these persons are made aware of their quality-related obligations where applicable;
- A risk management approach to business planning.

In order to achieve these objectives, it is the policy of Castor Vali to establish and maintain an effective management system that will be reviewed on a regular basis.
