

The Castor Vali Group is a UK and Africa based global security and risk management organisation specialising in providing Corporate Security and International Protective Services in emerging and high-risk markets. Our mission is to provide appropriate, discrete and dedicated services allowing our clients to maintain maximum operational effectiveness.

Castor Vali's integrated management system provides the framework to ensure the delivery of the security management objectives and targets.

Top management is committed to ensuring the Security Management Policy is communicated to all relevant employees and third parties and that these persons are made aware of their security-related obligations.

**Castor Vali is committed to:**

- Compliance with applicable and relevant international and national law and regulatory requirements;
- Setting and reviewing security objectives and targets designed to ensure continual improvement in its security performance;
- Continually strive to improve standards throughout our areas of operations by communicating our policy to all persons working for and on behalf of Castor Vali and by enhancing security awareness and commitment through structured training;
- A risk management approach to business planning.

In order to achieve these objectives, it is the policy of Castor Vali to establish and maintain an effective management system that will be reviewed on a regular basis.
